TEENHACKS LI

LONG ISLAND'S ONLY 24-HOUR HS HACKATHON
500+ STUDENTS • LEARN, HACK, AND SHARE
HACK FOR OUR FUTURE

JUNE 26 2021 | **VIRTUALLY HOSTED**

SPONSORSHIP PROSPECTUS

TEAM@TEENHACKSLI.COM | WWW.TEENHACKSLI.COM

WHAT IS TEENHACKS LI?

TeenHacks LI is Long Island's premier 24-hour hackathon. Since Fall 2018, we have hosted over 800 student participants from all over the nation among four events in collaboration and garnered tremendous support from the community. Now, we're back for a bigger and better event!

For Spring 2021, our event will be virtual. We will be hosting a 24-hour hackathon on the Saturday of June 26th. Over 100 high school students from all over the United States will get together virtually to learn, build, and share. We will have professional mentors students can connect with and an array of workshops that will be streamed live. We hope to keep young minds active and innovating even through these unusual times.

> *TeenHacks LI is working with high school students by using hacking and coding to assist in philanthropic efforts worldwide.*
>
> *- Mornings with Maria*, Fox Business

> *TeenHacks LI event is meant to empower high school aged coders and entrepreneurs to work collaboratively to use technology to tackle real world issues.*
>
> *- Free LI hackathon for teens focuses on coding, entrepreneurship*, Newsday

> History shows us that great **innovation** and **discovery** can happen at **any age**. Now more than ever, our future depends on the next generation's ability to **collaborate** to harness **creativity** in order to solve some of the most intractable **challenges** we face. *TeenHacks LI* is **vital** because they promote **breakthroughs** in scientific innovation but also **inspire** our young people to pursue careers in **STEM**.

Why Become A Sponsor?

Support computer science engagement for the young, brilliant minds of tomorrow

Easily reach Long Island's untapped and unique market through us, Long Island's only 24-hour high school hackathon.

Promote your company/organization's through branding, workshops, sending swag, and/or sending representatives.

Demo your product/service, provide tech resources, receive live feedback, and recruit from a pool of incredible individuals.

Your money will all go directly toward making TeenHacks LI possible and free for all. This includes prizes, services, and anything else to make the hacker's experience the best it can be. We are completely student-run and have no paid staff.
